## YELLS GALORE AS ARTILLERY COMPANY SIGNS

Fifty Citizens Put Down Names  
and Take Oath Before  
Gen. Johnson

For the first company of National Guard coast artillery ever to be organized outside the continental United States, 50 men last night put down their names and took the oath under Adj.-Gen. Samuel I. Johnson, these formalities being followed by hip-hip-hoorays from 50 lusty throats.

There were yells for the new company, yells for Gen. Johnson, yells for Capt. Edward H. Carpenter, who is to instruct it and yells for its new commander, 1st Lieut. G. K. Harrison, who has labored for weeks to make a go of the whole thing.

When Lieut. Harrison called the meeting to order yesterday afternoon shortly after 5 o'clock, he declared that the occasion was the most important—with one exception—that the National Guard of Hawaii had ever known. That exception, he said, was when Gen. Sam Johnson came to head the guard itself.

Capt. Carpenter, who commands Battery Dudley, Fort de Russy, where the new company is to drill, talked briefly to the group of men before him, telling them in general of the place they are needed to fill in the local defenses.

He pointed out the opportunity for study here, which, he said, probably surpasses that in any other United States garrison.

Gen. Johnson also spoke briefly and to the point, expressing his appreciation for the turnout of men at this first meeting and assuring them that the guard will do all in its power to make a success of the new company.

A few questions followed and then C. G. Heiser of the Trent Trust Company jumped to his feet and moved that mustering begin. A dozen seconds to the motion were given, and at the vote every man in the crowd was on his feet. Gen. Johnson read the oath slowly and with upraised hands the 50 followed him.

The following men signed their names as charter members of the new company:

Bailey, G. T., Banigan, L., Bayless, R. C., Beaven, J. A., Black, A. A., Blowers, H. M., Brown, A., Bryan, J. A., Case, Dr. L. N., Chillingworth, S., Conkling, D. L., Copeland, M. S., Dyson, C. W., Gurrey, A. H., Jr., Heiser, C. G., Hill, S. T., Hole, W. W., Jorgensen, C. H., Judd, C. S., Kellogg, C. E., King, C. R., Kinney, H. W., Klemme, H., Kirchhoff, F. G., Lewis, A., Jr., Loomis, E. B., Morgan, J. F., Nelson, J. F., Norgaard, Dr. V. A., Pease, J. B., Phillips, J. A., Pierce, F. P., Podmore, G., Porter, K. B., Quintero, J. A., Sager, C. E., Sanborn, J. Smith, A. G., Smith, C. O., Smith, E. G., Smith, L. R., Soper, W. H., Spalding, W. T., Stone, J. F., Tallant, H. C., Titus, G. W., Whitney, W. L., White, E. O., Wilder, E. C., and Yost, H. H.

## COMPANY K TO DRILL TONIGHT FOR CONTEST

Capt. John K. McCandless has issued a special call upon the members of his command, Company K, 1st Infantry, for a good showing at the drill tonight in preparation for the competitive work with other companies on next Sunday morning. So consistently has this company been drilling that it is expected they will make a splendid showing in the competition.

Monday, May 15, will be the last day for paying taxes without penalty. After that date 10 per cent will be added. Take your tax bill with you when paying. Payments must be made in U. S. gold coin or certified check. Make separate checks for Honolulu and country districts.—Adv.

## ARMY & NAVY EIGHT OFFICERS COMING HERE ON NEXT TRANSPORT

Eight officers for Honolulu are aboard the transport Thomas, due here on Saturday afternoon or evening, according to last mail advices from San Francisco, though this number was probably increased before the steamer sailed. The following list is from April 20:

Naj. E. S. Wright, cavalry; Capt. O. B. Rosenbaum, 2nd Infantry; Capt. L. L. Gregg, Infantry; 1st Lieut. Otto H. Shrader, C. A. C.; 2nd Lieut. B. W. Simpson, field artillery; 2nd Lieut. R. E. McQuillan, cavalry; 2nd Lieut. H. L. Keen, Infantry; and 2nd Lieut. O. M. Baldinger, Infantry.

Carrie L. Howard, a nurse of the Army Nurse Corps, is on board, en route to Manila.

For Manila also are the following officers:

Col. W. D. Crosby, Medical Corps; Maj. William H. Hay, 4th Cavalry; Capt. Norman E. Cook, Philippine Scouts; 1st Lieut. R. Donovan, C. A. C.; 1st Lieut. C. E. Dority, Philippine Scouts; 2nd Lieut. Philip Caldwell, cavalry; 2nd Lieut. J. K. Boles, cavalry; 2nd Lieut. Edward W. Austin, Philippine Scouts.

## THINK OFFICERS WHO ARE ABOUT TO LEAVE NOT UNDER NEW ORDER

Though word from the War Department at Washington does not state specifically the status of officers about to leave here under the former ruling of the "manchu" law, it is generally held at headquarters that these officers will be transferred as was intended before the recent order countermanning it went into effect.

In the case of enlisted men definite orders were received yesterday to the effect that such as have been ordered transferred will be allowed to return to the mainland.

As printed in the Star-Bulletin on Wednesday of this week, the three-year law for Hawaii does not apply for the present, as an enlisted man may now be kept longer than that period.

## MAKES LONG JOURNEY TO JOIN HUSBAND HERE

F. A. Glund, chief clerk at the headquarters of the National Guard of Hawaii, received word by cablegram this morning that his wife and 10-year-old child have just sailed from Copenhagen, Denmark, for Honolulu.

As the militia clerk has not seen his family for about five years, he is rejoicing at the news. They will arrive here in about 30 days. Glund has not learned what steamer they are sailing on from Europe.

## CHILDREN HATE PILLS, CALOMEL AND CASTOR OIL

If Cross, Feverish, Constipated,  
Give "California Syrup  
of Figs"

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—Adv.

sanitation and authority for erection of buildings occupied by them.

Pvt. Frank Nowak, Co. L, 1st Inf., is detailed on special duty as tinner for a period of ten days with a view to his transfer to the Q. M. C.

Cpl. Frank Harris, Jr., Batt. A, 1st F. A., has been ordered to report to the department casual officer, Honolulu, to receive and conduct to Schofield Barracks Pvs. William Winters and Gus J. Ryan, Batt. C, 1st F. A., these men having been returned from the Philippines department, to which place they went as stowaways some time ago.

Pvs. Justus B. Arnett, Co. E, 1st Inf., has been ordered to the Dept. Hospital for treatment. Lance Cpl. Leonard R. Edwards, Co. A, 1st Inf., is announced to be corporal vice Gazbar, furloughed and transferred to the army reserve.

Pvt. James K. Knight, 159th Co., C. A. C., is relieved from special duty as assistant to the electrician sergeants at Ft. Ruger, and Pvt. August P. Langley, same company, detailed in his stead.

Pvt. Augustus M. Miglin, 105th Co., C. A. C., is relieved from special duty as a member of Outguard No. 1, Ft. Ruger, and Pvt. Frank V. Paddock, same company, detailed in his stead. Cpl. Everett L. Baxter, 159th Co., C. A. C., is relieved from special duty in charge of Diamond Head signal station, and Cpl. Russell G. Bonham, same company, detailed in his stead.

Pvt. Lewis D. Mayers, 104th Co., C. A. C., Ft. Armstrong, is detailed on special duty as post exchange steward, vice Moore, relieved.

Pvt. John L. Klien, 91st Co., C. A. C., is detailed temporarily on special duty as mail orderly at Ft. Kamehameha during the absence of Pvt. James E. Travelstead, same company, on furlough.

Miss Emelle Louise Wells, associate professor of economics at Vassar College, died at her home at Poughkeepsie.

Meet me in Bishop Park tomorrow, between 9 and 4.—O. U. Jones.—Adv.

The hours I spent
